"Tahbir Nazm al-Juman fi Tafsir Umm al-Qur'an" by Abu Bakr Muhammad bin 'Abd al-Rahman bin Muhammad al-Juzami al-Arkashi al-Maliki (d.723 A.H)

A Critique

Prof. Dr. Ibrahim Saleh A Al-Humaidhi

Research Topic

Editing a manuscript on exegesis of Surat al-Fatihah entitled: "Tahbir Nazm al-Juman fi Tafsir Umm al-Qur'an" by Abu Bakr Muhammad bin Abd al-Rahman bin Muhammad al-Juzami al-ArKashi al-Maliki (d.723 A.H.)

Research Objective

The research aims at performing a serious intellectual editing of this manuscript along with its academic study.

Research Problem

The manuscript is yet to be edited and published, despite its academic value, its comprehensiveness, the academic status of the author and his excellence in various fields of knowledge.

Research Findings

- 1. Editing the manuscript according to the widely practiced methodology.
- 2. Identifying the importance of this exegesis, and its uniqueness in the commentary of Surat al-Fatihah, mentioning its sciences, giving the issues therein due attention, and stating the most authentic opinion in controversial matters.

Additions of al-Dimyati to Ghareeb al-Qur'an by Ibn 'Uzair An Inductive and Deductive Study

Dr. Faisal Hamoud H Al-Shammari

Research Topic:

The research is about the totally new additions of Dimyati to the book of one of the great scholars of exegesis Ibn 'Uzair al-Sijistani, "Tafsir Ghareeb al-Qur'an", which he made in the footnotes.

Research Objective:

Introducing the additions of al-Dimyati to the book of Ghareeb al-Qur'an of Ibn 'Uzair and highlighting this important aspect of Qur'anic sciences i.e., Ghareeb (exceptional).

Research Problem:

The only copy of manuscript with some defects such as missing words from the footnotes, as I couldn't get another copy for clarification.

Research Findings:

- 1. The status of Ibn `Uzair in Ghareeb al-Qur'an, his vast knowledge of the issue and how he benefited from his teacher, Ibn al-Anbari.
- 2. Al-Dimyati's command over this field and his capacity to add to Ibn 'Uzair important and precise additions.
- 3. Variety of al-Dimyati's method in his additions to Ibn 'Uzair.

Sayings of Al-Imam Ahmad on the abrogating and the abrogated An Analytical study.

(from the Book "Nawasikh al-Qur'an", from the beginning to the end of Surat al-Baqarah)

Dr. Hamed Radhi M Al-Ruqi

Research Topic

The research deals with the sayings of al-Imam Ahmad on the abrogating and the abrogated from Ibn al-Jawzi's book "Nawasikh al-Qur'an", from the beginning to the end of Surat al-Bagarah.

Research Objective

Compiling, studying, and highlighting the sayings of al-Imam Ahmad on the abrogating and the abrogated as a separate work.

Research Problem

What are the sayings of al-Imam Ahmad on the abrogating and the abrogated reported in the sources, assuming that his book on the issue is missing?

Research Findings

- 1. Some of the teachers of al-Imam Ahmad are scholars of exegesis, some of whom have book on abrogation, and I wrote the biography of seven of his prominent sources.
- 2. The book on abrogation by al-Imam Ahmad is greatly unique as he is a scholar of both exegesis and Hadith. It shows that extra care was given to the narrations due to which we can declare them as authentic. Undoubtedly, the issue of abrogation requires precision because of its connection with Islamic law.
- 3. The sayings of al-Imam Ahmad on abrogation in Surat al-Baqarah reach 37, three linked to the Prophet (s.a.w.), though weak reports, nine attributed to the Sahabah, one with authentic transmission, while the two good, and the remaining six weak, and the remaining 28 through disconnected transmission, 11 authentic, 12 good, and 5 weak.

The Chains of Narrators Narrating Views of al-Dahhak from Ibn 'Abbas (May Allah be pleased with them) in the books of transmitted exegesis.

Dr. Ibrahim A H Mohammad Husain

Research Topic

The research focuses on one of the transmission chains in which al-Dahhak bin Muzahim Al-Hilali reports from a Companion, 'Abd Allah bin 'Abbas to whom a lot of false narrations are attributed hence many a controversy over it.

Research Objective

Differentiating authentic narrations from weak ones on the authority of al-Dahhak with a view to contributing to the review of tafsir, investigating its chains of narrators, and identifying impact of weak narrations, advancing caution against their acceptability in Islamic rulings and identifying the weak chains.

Research Problem

Disconnection in the transmission chain: Al-Dahhak did not meet Ibn 'Abbas. He met his student Sa'eed bin Jubair who is his source for Ibn 'Abbas' views. Sa'eed bin Jubair is highly knowledgeable and trustworthy. If it is certain that al-Dhahhak's source is Sa'eed ibn Jubair, then his reports from Ibn 'Abbas is to be considered strong.

Research Findings

It is confirmed that there is disconnection between al-Dahhak and Ibn Abbas. Al-Dahhak's reports therefor need scrutiny and comparison with other chains leading to Ibn Abbas and others from Tabi'in especially students of Ibn 'Abbas, and more specifically Sa'eed bin Jubair, in addition to other sayings that can serve as affirmative and support, although most of what I came across and observed among his narrations are strong and in congruence with narrations of Sa'eed bin Jubair and Ali bin Abi Talhah. (All praise is due to Allah).

Rare Qur'anic Styles of Reading on the Authority of Imam Abu 'Amr bin al-'Ala' al-Basari (d. 154 A.H) in Surat al-Baqarah.

An Inductive and Deductive Study

Dr. Sami Yahya H Awaji

Research Topic

Compilation of Solitary Reports on the Authority of Abu 'Amr bin al-'Ala' al-Basari Concerning Surat al-Baqarah Available in the Books on Rare Qur'anic Styles of Reading

Research Objectives

- 1. Understanding Nature of the selection of al-Imam Abu 'Amr al-Basari and the Extent of His Command over Arabic language.
- 2. Identifying the Rare Qur'anic Styles of Reading Attributed to al-Imam Abu 'Amr in Surat al-Bagarah.
- 3. Introducing Researchers to the Study of Rare Styles of Qur'anic Reading narrated through the Ten Experts in Qur'anic Styles of Reading.

Research Problem

- 1. Answering the following questions:
- 2. How many Rare Styles of Qur'anic Reading are narrated through al-Imam Abu 'Amr in Surat al-Bagarah?
- 3. Do these reports have any basis in Arabic language?
- 4. What is the reason behind the inauthenticity of these reports from al-Imam Abu 'Amr al-Basari?

Research Findings

- 1. All the reports identified in the research are consistent with one or another basis in Arabic Language.
- 2. The main reason for the inauthenticity of these reports is the discontinuity in the transmission chains.

Publications on the inimitability of Qira'at. Descriptive study

Prof. Dr. Adel Ibrahim M Refaei

Research Topic

Compilation of publications on the inimitability of Qira'at; because most of the works on this field are new and very rare, followed by a brief descriptive study of the publications.

Research Objectives

-escribing their Methodologies, and the Issues they Deal with.

Research Problem

- 1. Lack of Updated Bibliography of Works on This New Field of Study.
- 2. Lack of Unified Methodology in writing on This Issue.

Research Findings

- 1. Works on This Issue are not yet enough as to the explanation of its Principles.
- 2. Rules of This Science have not yet been dealt with in Separate Works.
- 3. The research tried to identify all the works available till date.
- 4. Identified Major Rhetorical Inimitability in the Studies on Inimitability of qira'aat.

Endowment for Cherishing the Two Glorious Revelations

About us:

An institutional endowment devoted to serving the Glorious Qur'an and the Elevated Prophetic Sunnah, by underlining their guidance and fulfilling their aims.

Historical background:

The endowment was established in 1428AH, initially as, **Project for Cherishing the Glorious Qur'an**. In 1434AH the Project became a community development center under the nomenclature, **Center for Cherishing the Glorious Qur'an**. Yet, in 1436AH, the center was further developed to be an independent entity under the title, Endowment of Cherishing the Two Glorious Revelations.

Our Vision:

Extolling the acts of cherishing the Two Glorious Revelations and promoting their studies both locally and internationally.

Our Mission:

To promote cherishing the Glorious Qur'an and the Elevated Prophetic Sunnah throughout Muslim communities, by highlighting their aims and objectives, and underlining their guidance.

Our Aims:

- 1- Highlighting the glories of the Glorious Qur'an and the Elevated Prophetic Sunnah and making their rights known.
- 2- Defending the Glorious Qur'an and the Elevated Prophetic Sunnah and refuting the calumny leveled against them.
- 3- Furthering research studies and training programs related to the Glorious Qur'an and the Elevated Prophetic Sunnah.

In the name of Allah, the Most Gracious, the Most Merciful
